

# Accessibility Policy

This Accessibility Statement applies to: [policies.hibuwebsites.com](https://policies.hibuwebsites.com)

We Value Digital Inclusion.

In our effort to provide a fully accessible and optimized user experience for all site visitors, [policies.hibuwebsites.com](https://policies.hibuwebsites.com) has taken careful measure to ensure an excellent user experience, regardless of the assistive technology being used to access this site or the specific abilities of those individuals seeking access to this site.

The [policies.hibuwebsites.com](https://policies.hibuwebsites.com) website is monitored and tested regularly by internal resources and by [AudioEye, a third-party provider of Web Accessibility testing and monitoring](#). As issues of accessibility are identified, results of automated and manual testing are managed through the AudioEye® Digital Accessibility Platform. As new solutions are discovered to improve the user experience, remediation is tracked through the AudioEye system and fixes are implemented to improve the website user experience.

AudioEye Accessibility Certification

The AudioEye Certification seal represents a commitment to accessibility and digital inclusion. The AudioEye certification process involves automatic and manual testing with the goal of maximizing conformance with Web Content Accessibility Guidelines (WCAG) 2.1 Level AA Success Criteria.

**AudioEye certifies that this site is in the process of being enhanced to conform with WCAG 2.1 Level AA Success Criteria to the greatest extent possible.**

AudioEye and [policies.hibuwebsites.com](https://policies.hibuwebsites.com) continue to collaborate in an ongoing effort to maintain conformance and provide an accessible user experience for all users

This website is regularly tested using a variety of assistive technologies. We recommend using the following web browser / screen reader combinations for an optimized experience:

**For Windows users:** JAWS and Chrome or NVDA and Firefox

**For Mac users:** VoiceOver and Safari or VoiceOver and Chrome

**For mobile users:** VoiceOver for the iPhone and TalkBack for Android devices
